

In adhering to Kerry's Eye for the Environment Policy, the Kerry-Sweet & Cereal Business Unit is committed to protecting our environment by conducting all aspects of our business in an environmentally responsible and sustainable manner. To minimize the impacts concerning our activities, products, and services, we shall:

- Fulfill applicable compliance obligations to which the organization subscribes.
- Highlight the commitment of Senior Management to ensuring that the protection of the environment is firmly embedded in the culture of the company and its employees.
- Endeavor to influence our suppliers and customers to act in a similar strategic and sustainable manner.
- Include the consideration of environmental issues in all business strategies and initiatives.
- Prevent pollution by driving sustainability through the minimization of waste and efficient consumption of natural resources.
- Consider the wider global impact of all our activities including those of our suppliers, customers, and other stakeholders.
- Define specific objectives to continually improve our Environmental Management Systems and to enhance environmental performance and sustainability.

Kerry is committed to continuous improvement of our environmental performance. This Policy will be communicated to all staff, contractors, suppliers, and will be made available to the public through selected media.
